## Large Crowds of Pleasure Seekers Expected At Nearby Lake Resorts; No Fireworks on Sale

Antioch area resort owners are getting ready to handle large crowds of pleasure seekers this weekend as the result of the triple holiday.

Chicago schools were dismissed for the summer last week and families were sent out to the summer cottages. The husbands and fathers working in the city will join them tomorrow evening to remain until next Tuesday because July 4 falling on Sunday this year will be legally celebrated on Monday.

For once the sound of the firecracker is missing.

None are on sale in Lake county and while a few may be smuggled in from Wisconsin, the firing of them will result in arrest. Even sparklers may not be sold this year. More than \$300 worth of fireworks were confiscated from James E. Lorentz, 26, Hales Corners, Wis., when he attempted to set up a stand in Antioch township. He was arrested on building and zoning violations for not having a building permit while he was constructing his fireworks stand. A charge of possessing illegal fireworks was also filed.

This crackdown by the Lake County Sheriff's department frightened away other fireworks salesmen.

There was a movement to set up a fund to hire professionals to shoot some fireworks for the community but this fell through.

## Antioch J.L. Team Wins Three Games; Two From Foresters

Antioch's Junior Legion baseball team was slow in starting, but recently has broken into the victory column and is traveling at a fast pace.

The local team won from Lake Forest Monday 5 to 3. Wayne Swanson held the young Foresters to four hits while his teammates were clubbing out six. Walsh's two hits in three times at bat both brought in runs.

Lake Forest—3 runs, 4 hits and 1 error; Antioch—5 runs, 6 hits, and 2 errors.

Antioch beat Zion here last Friday 11 to 10 in a ninth inning rally which saw Frank Walsh's home run with two men on base clinching the game. Zion was leading 10 to 6 in the sixth inning when Antioch came to bat.

Stonis was out, pitcher to first; E. Meyer walked, and was out at second on fielder's choice of Scully's grounder. Ballwanz doubled and Scully scored. Lawrence doubled and Ballwanz scored. J. Meyer walked. Then came Walsh's circuit clutch and no third out was needed.

Antioch's victory over Lake Forest was the second the local boys have annexed from the Lake Shore nine. A week ago Tuesday, Bud Hansen's boys won 4 to 1 at the Antioch High School grounds. It was the game that started Antioch on its winning streak after having lost three games.

This week's victory gave Antioch a tie with Lake Forest for fourth place in the Junior American Legion standing.

## Benefit Dinner to Aid Fund to Obtain Living Quarters for Teachers

An eight-woman committee is making elaborate plans for the public dinner on July 25 which will be for the benefit of St. Peter's parish.

This year, the dinner, famous because of its expert cooks, will be served in the school hall from noon to 5 p. m. The menu is topped with roast beef.

Besides the dinner there will be plenty of games, refreshments, and prizes.

Those in charge are anxious to make the event a success. The need of its success is a fund through which quarters may be provided for the sisters in charge of the school. The enrollment of the St. Peter's grade school has grown so much that that part of the building occupied by the sisters is needed for class rooms.

The ladies invite the cooperation of the people of Antioch to help. This is done on the basis that a fine school enhances the value of property throughout the community and makes the community more attractive.

## Sox Lead Antioch's Little League After Defeat by Tigers 8-7

Although the Tigers handed the Sox their first defeat 8 to 7 two weeks ago the pedal-covers are still leading the Little League with five victories and but one defeat.

Seeking their first victory the Yanks thought they had the Tigers beat last week but the Bengals made a last inning score to win 3 to 2. The Sox beat the Giants 6 to 2. The Cubs beat the luckless Yanks 21 to 2, and the Dodgers jumped on them too for a 11-4 score. The Cubs beat the Tigers 4 to 2.

Leak in Sewer Main Sought by Hawkins

Although no property is attached to the new sanitary sewer east of the village, the lift pump at its outlet is operating steadily in circulating a two-inch intake of water from some unknown source.

Trustee Arthur M. Hawkins of the sewer and water committee is trying to solve the mystery of the intake of water into the new sanitary sewer that should be dry as a bone.

"There is a leak in the pipe somewhere," said Hawkins who believes that the sewer line lies in a sand pocket somewhere that is supplying the water to the leak during the wet weather.

Water Supt. Walter I. Scott says he is operating the new well and pump a little daily to keep the well cleaned out and the pump in good condition. The other two old wells could take care of the needs of Antioch nicely but there will come a time when the increased population will demand more water.

Two Slightly Injured In Three Car Collision

Bent fenders and hurt feelings were mostly the result of a three-car collision Sunday afternoon on Rte. 173 a quarter of a mile west of Rte. 45. The Antioch Rescue squad took a woman and boy to an Antioch doctor for treatment of minor injuries. The boy had a cut on his head. They were not identified. It was said one car bumped a car ahead as it slowed down for the intersection, shoving it into a second car.

Purchases Delicatessen

Richard (Dick) Hahn has purchased the delicatessen store of Joe Strahammer at 920 Main st. and is taking charge today. It has been operated as Joe's Delicatessen.

## Twister at Fox Lake During Storm Tuesday; West County Damaged

A twister went through Fox Lake during Tuesday afternoon's storm. The tornado appeared on Rte. 12 north of the village, cut across the Jensen grounds north of the Texaco station, made an S turn, encircling the American Legion home and then struck off across Fox Lake where it lifted a score of boats from the water at Murph's landing and tossed them in the park.

Damage estimated at \$1,500 was done to the roof of the Point Comfort hotel. The roof was blown off the new Deer Haven park building. At Jensen's 40 trees were leveled.

The street of downtown Fox Lake was flooded and water ran into the Boren and Town and Country shops and into the office of a dentist, Dr. Johansen.

Much other damage was done in that community.

The storm extended to the southern limits of Lake county and power was off in many villages most of the evening.

Westerlund Boy Born At Gurnee on Way to Waukegan Hospital

The Ray Westerlunds of Petite Lake lost a race with the stork at 11:20 p. m. Sunday and as the result their new son will be named Jon Gurnee instead of Jon Arden.

The name Gurnee will be used it is said because the boy was born at Gurnee while Mr. Westerlund was rushing Mrs. Westerlund to Victory Memorial hospital in Waukegan.

Police, noticing the speeding car, caught up with it and then went ahead into the hospital and arranged for the care of the two patients. Dr. John H. Schroeder happened to be present to take charge. The boy weighed six pounds and four ounces.

Mr. Westerlund is a teacher in the Lake Villa grade school. He and Mrs. Westerlund have a five year old son and a two year old daughter.

Women of the Moose Install Officers With Aid of Harvard Escort

Antioch Chapter No. 725, Women of the Moose, held an open installation of officers Tuesday, June 22, 1954, at the Antioch Grade School auditorium.

This year's installation was performed by members of Antioch chapter with the able assistance of Harvard chapter escorts. The flag was presented by Frank Kennedy, Jr.

The installing officers were Lester Nelson, installing governor; Mrs. Glenn Fox, installing chaplain; Mrs. Jack Stueber, installing guide and Mrs. Anton Johnson, installing pianist.

The Harvard escorts were: Mrs. Doris Axelson, Mrs. Pat Meyers, Mrs. Pat Johnson, Mrs. Kitty Jones, Mrs. Catherine Barto, Mrs. Marie Kath, Mrs. Lou Carbonetti, Mrs. Aline Hobbs, and Mrs. Aline Hobbs.

Officers installed were: Mrs. William Morton, Jr., graduate regent; Mrs. Frank Kennedy, Jr., senior regent; Mrs. Nelson Jung, junior regent; Mrs. Homer Toft, chaplain; Mrs. Leonard Roblin, treasurer; Mrs. William Meyer, guide; Mrs. Burt Anderson, assistant guide; Mrs. Marvin Heath, Argus; Mrs. Henry Grewe, sentinel; Mrs. Alice Bushmole, pianist.

The following chairmen were named by Senior Regent Mrs. Frank Kennedy, Jr.:

Mooseheart Alumni—Mrs. Robert Horton, Publicity—Mrs. Joe Gortiz, Mooseheart—Mrs. Edward Lindstrom, Library—Mrs. Lucy Himes, Social Service—Mrs. Arthur Bartoloni, Child Care, Mrs. Richard Eckert, Ritual—Mrs. Walter Good, Moosehaven—Mrs. Anton Johnson, Homemaking—Mrs. Charles Meier, dirk, Hospital—Mrs. Fred Gras, and Membership—Mrs. Jack Stueber.

Mrs. William Horton received her Moose ring from the chapter and was given a necklace and earring set from her officers. Mrs. Lester Palmer was presented a Women of the Moose necklace from the officers and received her Past Graduate pin from the chapter.

Purchases Delicatessen

Richard (Dick) Hahn has purchased the delicatessen store of Joe Strahammer at 920 Main st. and is taking charge today. It has been operated as Joe's Delicatessen.

## 7.8 Inch Rainfall for June Sets New Record

The past month was the wettest June since 1941 when Roy Kufalk began taking weather records for the federal government, and may be Antioch's wettest June in history.

The 30 days produced 7.8 inches of rain, more than twice the average amount.

Rain fell on 10 of the 30 days, the largest amount at any one time being on the night of June 2 and all day June 3 when the total was 3.55 inches. Tuesday's rain was .78 inch.

The highest temperature for the month was 84 degrees on the 12th, 18th and 19th, and the coldest 45 degrees on the 3rd, 5th and 6th. There were 11 days with 90 degree temperature or above. Hall fell on the 9th and there were seven days with stronger than normal winds.

Kufalk wasn't around to take all of these recordings. He and Mrs. Kufalk went on a vacation trip to South Dakota, Montana and Iowa, and the readings were taken by his brother, Clarence.

Despite the heavy rains, those fields not overly flooded are producing good crops this year. Corn is well above knee high in many places, and if the temperature does not become too hot the oats will be good. Wheat, although not having a strong stand is growing and heading well. It is beginning to turn and should be ready for harvest in about two weeks. Soybeans also are growing nicely.

## Joint Installation of American Legion and Auxiliary on Aug. 19

August 19 has been set as the date for the joint installation of officers of the Antioch American Legion and its Auxiliary.

At the annual election of officers for Post 748, recently the following were elected:

Dan H. Lightsey, commander; John W. Horan, senior vice commander; Hans G. Molgard, junior vice commander; Benjamin F. Miller, finance officer; W. V. Lahti, sergeant-at-arms; Robert M. Avery, chaplain; Paul A. Erickson, veterans assistance representative; Dan H. Lightsey, F. A. Swenson and John W. Horan, delegates; Roman B. Vos, Hans G. Molgard and Harry A. Mizock, alternates to the Tenth District American Legion Council.

The adjutant of the Post by appointment, Roman B. Vos, will be retained by Commander Lightsey as a holdover.

Three directors to the Antioch Legion Home, Inc. were re-elected to their office for a three year term: William E. Brook, Edward J. Frazier and Benjamin F. Miller. The rest of the board members are: John L. Horan, F. A. Swenson, Paul A. Erickson to serve another year and Dr. Harry A. Mizock, Dan H. Lightsey and John W. Horan to serve for two more years. The board has nine directors with F. A. Swenson, president; John L. Horan, secretary, and Edward J. Frazier, treasurer.

Death came at 9:30 p. m. Monday to Catherine Edith Dowell, 3, daughter of Mr. and Mrs. Ralph Dowell, Channel Lake, after a week's illness from measles.

In addition to the parents she is survived by a brother, John; two sisters, Sharon Lee and Mary Ellen and her paternal grandmother, Mrs. Edith Dowell of Antioch.

Mr. Dowell is an employee of the Nash plant in Kenosha.

The funeral service was held at 10 a. m. yesterday in the Strang funeral home with burial in Mt. Carmel cemetery.

Mark Horwitz' Father Dies, Buried in Chicago

Fred Horwitz, father of Mark Horwitz, head of the Crown Realty Co. which established Knollwood subdivision at Cross Lake, died Saturday, and the funeral service was held at 10 a. m. Monday at Albany Park Hebrew congregation, 4601 N. Lawndale ave., Chicago. Interment was in Westlawn.

Besides Mark, the other children are Hyman, Irving, Joe and Minnie Berman. There are 10 grandchildren and four great-grandchildren.

Returns from Hospital

Herman Holbek came home from Victory Memorial hospital Monday after having been under observation there for a week. He has been ordered by his physician to rest at home.

## Horseback Rider Hurt When Struck by Car Near Grand, Rte. 59

The Antioch Rescue Squad rushed Arthur Bochenek, 20, of 5251 N. Milwaukee Ave., Chicago to Victory Memorial hospital Sunday afternoon after he and the horse on which he was riding were struck by a car driven by Nicholas Notto, also of Chicago, near the intersection of Rte. 59 and Grand Ave.

The force of the impact carried the horse and its rider 75 feet. The horse was killed. Bochenek was hurled into a ditch.

Bochenek was seven hours in surgery for treatment of multiple cuts about the face. His condition is reported improved although it is still serious.

Deputy sheriffs said that the horseback rider was trying to cross the busy Rte. 59 to get to the riding stables on the west side of the highway when he was struck.

Lightning Hits Two Residences During Storms

Antioch was on the edge of a severe rain, wind and electrical storm Tuesday afternoon.

Worst of the storm was to the south and west where trees were blown down and fields flooded. Fox Lake streets were flooded.

Lightning struck the Jack Crandall residence on Rt. 173 a mile west of the village, however, doing extensive damage but injuring no one.

The bolt struck about 4:15 p. m. and whether it hit the tree and jumped to the aluminum siding of the house or hit the T-V antenna and then jumped to the tree is not known but the former is probable.

The tree was splintered and five windows in the bedroom were shattered, glass flying in all parts of the room. The siding of the house was also ruined, being bent and pitted as if hit with shrapnel.

Mrs. Crandall and her two children were in a room adjoining the bedroom, and while they were not shocked, they were stunned and frightened into hysterics by the bolt. No fire started.

About an hour later lightning struck the Charles Jorgenson residence a quarter mile farther west on Rte. 173. The bolt struck an electric line and traveled into the house setting fire to a joist and some insulation in the attic. The Antioch fire department was called and the blaze was extinguished with a loss estimated by Chief Edgar Simonsen at \$25. The house was formerly the Frank Walsh residence.

The fire department was called Sunday to Channel Lake where a Chris-Craft boat of H. Peabody had caught fire from an exhaust. Before the firemen arrived the men at the scene extinguished the flames by sinking the boat. Damage of \$200 was mostly from water, Chief Edgar Simonsen said.

The firemen were called to the John Harsch home on Channel Lake Saturday morning where lightning struck a soil pipe and jumped to an LP gas line, setting it afire. The blaze was extinguished with a loss estimated at \$35.

Simonsen and Hanke Learn Latest Methods At State Fire College

Fire Chief Edgar Simonsen and Otto Hanke who attended the fire college at Urbana last week, were told there that greater use should be made of fog, foam and wetwater in the fighting of small fires.

These chemicals were said to be ideal for extinguishing small fires or fires in early stages in rural communities where water mains are not laid. They are expensive, however.

Chief Simonsen said that Antioch has two of these chemicals and has used them successfully. More recent methods call for mixing of them at the hose line rather than in the tank. Mixing at the time the liquid is used reduces expense and makes it more effective.

Simonsen and Hanke hope that more firemen will attend the college next year.

Motor Thieves Appear With Boating Season

The summer plague—outboard motor thieves descended on the Chain O' Lakes area recently.

Ernest Ott of Peller's Subv. reported that someone stole an outboard motor from his boat while it was moored at the subdivision's north beach. He valued the motor at \$300.

Fred Keading of Park Ridge, owner of a summer cottage on Fox Lake, Long Lake, told Deputy Sheriff Saturday someone stole a \$400 motor from his boat and then set the boat adrift.

Party for Committeemen Interrupted by Storm

One hundred and fifty Republican precinct committeemen and other county officials were guests Tuesday afternoon at a get-together at the home of W. J. Murphy, Pettit lake, candidate for state representative.

The party was interrupted by a wind and rain storm which sent the guests from the lawn indoors. Some of them who were out for a boat ride took refuge on Blarney Island. The building there sitting on piling shook as if it were about to slide into the water and gave the men a scare.

County School Board To Deliberate July 6 On School Petitions

The Lake County Board of School Trustees of which Robert Wilton, Antioch is a member and W. C. Petty is secretary, will spend next Tuesday evening deliberating two Antioch Township school petitions.

One is the refiled Hickory Corner School petition in which 1½ square miles wants to withdraw and join Antioch's Consolidated school, and the other is the request of 1½ miles in Lake county to withdraw from English Prairie school in McHenry county and join Channel Lake district No. 35.

The new Hickory Corner petition carried more names than the original. It was filed after the first one was withdrawn after being contested in an appeal to the circuit court.

Supt. Richard Whitacre said the Antioch board has made no recent statement and will take no action one way or the other in regard to Tuesday's hearing, leaving the matter up to the county board.

It is said the opposition to the withdrawal will use an earlier statement of the Antioch board that it did not care to have a small portion and that it wanted all or none of the district.

The land valuation in the McHenry County withdrawal petition is \$400,000, the Hickory Corner, \$280,000.

Senatorial Candidate To Address Republican Women at Luncheon

Joseph T. Meek, Republican candidate for United States Senator will be the guest speaker for the Women's Republican club at its summer outing luncheon to which Antioch women are invited Friday, July 9.

The luncheon will be at the Viking Club in Gurnee and reservations will close next Tuesday. Mrs. Frank Valenta of Ingleside is Lake county's ticket chairman and Mrs. Glen A. Lloyd is Lake County chairman.

Notices of the luncheon were received by Mrs. Ed Vos and Mrs. W. C. Petty.

## Economic Highlights

President Eisenhower announced that the visit of Sir Winston Churchill and Mr. Eden to Washington was the Prime Minister's own idea. This in itself is an indication of the tremendous seriousness of the world situation, in view of the fact that Sir Winston is in frail health, and has been advised by his family and friends to lay down the heavy burdens of office. The President also said, in effect, that one reason the meeting was suggested is to do something to counter the growing fear that a deep rift exists between England and the United States.

The obvious fact is that, from the Western point of view, the world problem has worsened very materially in a brief period of time. The clearest example is the Geneva conference where, due to circumstances beyond his control, Mr. Dulles found himself with few cards to play. Britain clearly has no stomach for intervention in Southeast Asia. There is a feeling in many quarters that to all intents and purposes Indochina is now lost to communism, and that any future stand must be taken elsewhere, perhaps in Thailand. Samplings of Congressional opinion in this country show a very strong distaste for any lone-wolf military operations anywhere in Asia, and it is most unlikely that, at this time the President could get Congressional sanction for ordering American forces into action. And the French situation, in American officials' eyes is depressing in the extreme. There is no evidence that a French government can be formed which will have any permanence or real authority. France is sick of war, is plagued with communist dove-of-peace propaganda, and there is widespread fear of German rearmament, a step which numbers of top military leaders think essential to a workable European defense establishment.

All this, along with confused and conflicting public opinion in this country, has forced the Administration to reappraise the whole situation. Little is being said now in official quarters in support of armed intervention in Southeast Asia. It is very possible that our long-range strategic plan may be drastically overhauled. That this is a very complex task is shown by the great differences existing at the peak military level—the Joint Chiefs of Staff. Strongly opposed points of view are held by two officers of the highest character, reputation and record—Admiral Radford and General Ridgway.

The Admiral has publicly advocated aggressive intervention in Indochina, particularly with air attack from carriers. He has urged this on the President and the security council. General Ridgway has not spoken out publicly, but it is reliably reported that he has argued an opposite case before the council. He observed, it is said, that the majority of the people would be hostile to us or any other whites, and that all the

military problems involved would be far more difficult than in Korea. To quote Marquis Childs, "Basic to Ridgway's thesis is the premise that America's main enemy is Soviet Russia. A corollary to the thesis is that the area essential to keep out of Communist hands is western Europe with its great reservoir of industry and trained manpower." Those who agree with that line of thought feel that if we move in Southeast Asia, a cruel land war will become inevitable—and that we would waste our manpower and materials to the ever-increasing benefit of Russia. The decision is in the balance now. But it doesn't seem that it can remain so for long. The world moves with incredible speed these days.

## Gross Roots Opinion

INTERNATIONAL FALLS, MINN., DAILY JOURNAL: "There is no denying that the money from Washington comes in handy for the state agencies and subdivisions of government facing ever-increasing demands for service and improvements. The fact remains, however, that eventually all of the money for government functions comes from the taxpayers. There's no magical factor in government financing. No agency of government has access to funds other than those which are paid by or levied against the credit of the American public."

ST. FRANCISVILLE, LA., DEMOCRAT: "Jail. Socialism. Communism. The welfare state. They're all the same—same 'benefits,' same obligations, same 'rewards,' same payments. Keep on throwing bricks at the profit-and-loss system and you'll smash it; then you'll get your 'security.' But you won't like it."

BEDFORD, VA., BULLETIN: "Congress has enacted a law vastly increasing Federal aid in the construction of highways and President Eisenhower has signed the measure. There are always handling charges in Washington and never as much comes back as is sent in. We have no information on how this additional Federal aid is going to be financed, but in some way the states are going to have to dig in their pockets to foot the bill."

## The Food Business Today

The Wall Street Journal recently featured a news article on what is happening in the retail food business. It emphasizes facts that are of wide public interest.

Food sales have been soaring. A new record was established last year and a further advance was recorded in the first quarter of this year. But profits are far from record levels, and are generally so small that if they didn't exist at all we would hardly notice the difference. According to the Journal, a sampling of 18 food chains of all sizes showed that 1953 profits amounted to only a fraction over one cent on each dollar of sales.

The paper also points out that the chain systems don't dominate the food business, and aren't running the independents to the wall. Indeed, the proportion of the business accounted for by the two groups has barely changed in two decades. Way back in 1933, the independents did 63 per cent and the chains 37 per cent. Last year the division was 64 per cent and 36 per cent respectively.

What the current situation proves is that fair and open competition serves the best interests of all, including the consumer.

week and saw some of the destruction and ruin in the flood area. Twenty-seven members of the Halcyon group and a visitor left the Village hall Tuesday, June 22nd, about 6:45 p. m. in seven cars for Marengo, Ill., and attended a play "Time of the Cuckoo" at the "Shady Lane Playhouse." After the play the group enjoyed a supper at the Shady Lane Farm. They arrived home in the wee morning hours after having a most enjoyable evening.

Vacation Bible School  
The 1954 Vacation Bible school of the Community church came to a close last Friday after a successful two-week session. Fifty-seven children were enrolled in the beginner's primary and junior departments to study the theme, "Pioneering with Christ." Daily average attendance was 49, with 33 having perfect attendance for the 10 day period. Teachers for the beginners were Mrs. Philip Wagner, Mrs. Joe Nader, Jr., and Mrs. George Peck, assisted by Lois Wagner, Christine McNeill and Judy Zellbor.

Mrs. Harry Swanson, Mrs. Ernest Nielson and Mrs. Emory Holway taught the primary classes with Jay Cribb and Kenny Plummer assisting. Mrs. Harry Weber was substitute teacher in this group. Mrs. Eugene Woolsey, assisted by Marilyn Green was in charge of the Junior class. Mrs. Delbert Sherwood and Mrs. Warren Brown helped with the music. The program on Thursday evening was well attended by parents and friends who came to hear the songs and recitations and look at the handicraft that the children had made.

The Rev. Kenneth M. Plummer has been returned to Lake Villa for another year by the Rock River Conference of the Methodist church which met in annual session last week in the First Methodist Church, Evanston, Ill.

The Woman's Society of Christian Service met at the church last Wednesday afternoon to make final arrangements for the annual summer sale to be held at the school gymnasium on Wednesday, July 21. Doors will be open at 2 p. m. for the sale of fancy work, rugs, aprons, pillow-cases, etc., and there will be various attractions and amusements for your entertainment all afternoon. Cake and coffee or tea will be served at a nominal sum. There will also be a bakery sale where you may get home baked bread, rolls, cookies, cakes, etc. A cafeteria supper will be served from 5:30 to 7 p. m. and cards will be played during the evening. There will be table prizes, so come and have a good time, both in the afternoon and evening. The next meeting of the W. S. C. S. will be the quarterly pot luck birthday dinner for April, May and June birthdays at the home of Mrs. Helen Weber at Sand Lake. Visitors are always welcome. Dinner at 12:30 or 1 o'clock.

Mrs. Delbert Sherwood, who is vice-president of the Lake County Home Bureau, spent two days last week in Peoria at Bradley University as a delegate from Lake county to the Home Bureau citizenship conference.

Mr. and Mrs. Rudolph Gunnarson and children, Robin and Rudolph, Jr., are here from San Fernando Valley, Cal., visiting their mother, Mrs. Martin Lau and husband at their home at Venetian Village. They were married here at the Community church before going to California some years ago.

Mr. and Mrs. Martin Lau have Mrs. Lau's sister and husband who formerly lived in Wisconsin but now living in Florida, as guests this week.

Raymond Hussey of DeLand, Fla., visited at the Weber homes at Sand Lake a few days this week. He had been in North Carolina to take his oldest daughter, Margaret, to a girl's camp there for a few weeks.

E. K. Hart of the Lake Villa Trust and Savings Bank went east by plane last week to visit his sister there.

Mr. and Mrs. George Helm, accompanied by Mrs. Helm's son-in-law and daughter, Mr. and Mrs. LeRoy Jontink and daughter Janyce, of Waukegan, enjoyed last week end at Fremont, Wis., where fishing is good.

Mrs. Pearl Marshall of Dixon, Ill., was guest of her school day friend, Mrs. George Helm, a few days last week and Mr. and Mrs. Helm took her to Elgin last Thursday to visit other friends.

Mr. and Mrs. Clifford McCarthy

left Friday evening to drive to Iowa to visit relatives over the week end.

Mr. and Mrs. Oliver Walker and two daughters left early on Saturday morning to drive to New Jersey to visit Mrs. Walker's parents and family. Her father, John Martinson has been ill for some time. Mr. William Walker of Maple Row Farm was in Chicago last Friday on business.

Mr. and Mrs. Paul Avery, Sr., drove to Des Moines, Iowa, last

## Salvation Army Opens Camp Wonderland Near Antioch this Week for Fiftieth Year to Needy

The fiftieth summer of camping fun for needy mothers and children of the Chicago area will be marked by the Salvation Army as Camp Wonderland welcomes the first group of 200 guests on July 7.

Another 600 mothers and children are scheduled for ten-day vacations from July 19 through August 18.

The camp is located six miles northwest of Antioch on County Hwy. 5A. The present 70-acre rolling woodland site was acquired in 1924. Summer vacations for needy mothers and children have been provided by the Salvation Army since the establishment of its first "fresh air camp" at Glen Ellyn in 1904.

### New Beach Building

A new \$20,000 beach building containing dressing rooms, boat-house and lifeguard facilities has been built on the shore of Center Lake. Other waterfront improvements include the extension of the sandy bathing beach and installation of a steel removable pier.

Eighty-six buildings—including a new activities building in the Wonderland section—are scattered over the camp area. Comfortable cabins accommodate 15 persons each. Col-

orful flower gardens are surrounded by long stretches of well-kept lawns and towering trees are in the background.

The 52-day camping season began June 28 with the arrival of 150 "golden agers"—men and women over 60 years of age—for a nine-day vacation.

From July 5-12 approximately 150 Boy Scouts and Girl Guards from the Salvation Army's Scandinavian department will camp at Shagbark, the section of Wonderland designed especially for them.

Lt.-Colonel Earl Crawford, welfare secretary, is director of Camp Wonderland.

Mrs. Elizabeth Behler of Woodstock and son, Calvin of Milwaukee spent Wednesday in Antioch with Mrs. H. B. Gaston.

## 5,000 Spectators See Motorcycle Races at Wilmot Hills Sunday

An estimated 5,000 persons witnessed the national motorcycle races Sunday at Wilmot Hills.

About 600 motorcycleists from Midwestern states were there either as spectators rooting for their favorites or participating in the races. The motorcycleists occupied an acre of parking space reserved for them. The motorcycle clubs coming in groups added to the Sunday traffic through Antioch.

### Opens Food Market

Opening of the new super-market of Winsor Dalgaard on Rte. 59 between Lake street and Rte. 173 took place today and will continue tomorrow. Work on the parking lot is in progress. The place will be known as Dalgaard's Food Market. Dalgaard formerly owned a food store on Main street, but sold it and moved to Lake Villa where he purchased an IGA store. He still retains that store.

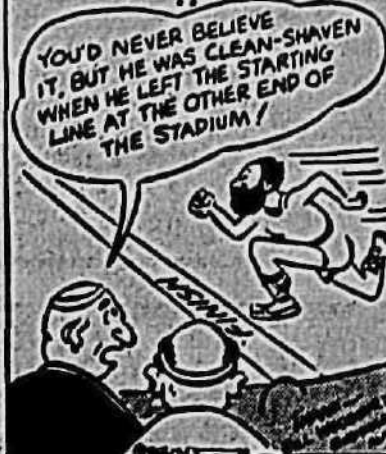

### Holiday Program Omitted

The Red Cross swimming program for Antioch youngsters will not be held July 5 on account of the holiday. The lessons will be resumed the week following.

Miss Martha Wallace of Carmi, Ill., is vacationing with relatives in Antioch and Woodstock.

I have acquired the gravel pit on Route 173,  
4 miles west of Antioch, formerly owned and operated  
by Mr. Marvin Walker.

I am equipped to furnish Road Gravel—Stone  
and Bank Run. My road gravel meets all state and  
county specifications.

Discount given to all truck operators. Visit the  
pit, examine the material and let me explain about the  
discount.

Respectfully,

LEO J. FOX

**Discusses Jet Plane.**  
Cmdr. Burson of the Glenview Naval Air Station addressed the Lions Club Monday evening on the jet plane. He brought with him equipment worn in the flying of the jet plane and said that \$90 worth of fuel is used in 30 minutes of flying.

**FOR SALE**—Two wheel trailer, all metal box, 7 ft. long. Phone Antioch 529-R.

**LEGAL**  
I will not be responsible for any debts incurred after July 1, 1954, at Joe's Delicatessen, Antioch, Illinois.
